# Treasurer's Report Actual Results for the Year Ended June 30, 2023

On behalf of the board of elders and staff, I want to thank our congregation for faithfully partnering with us in ministry through your prayers, volunteering, and financial giving throughout the year. Despite all the challenges that our community has faced in recent years, and continues to deal with today, our church family continues to demonstrate an ongoing commitment to living out Emmanuel's values including the value of generosity. We are incredibly grateful for God's provision that has allowed Emmanuel to continue to conduct its mission to "Fully love God and all people for God's kingdom, pleasure, and glory". May God's richest blessings rest on you and your families for your faithfulness. Below is a summary of the audited financial statements for 2022/2023.

#### Revenue:

• Total operating (\$390,797), capital (\$9,307), and designated ministries fund (\$33,526) donations, as well as facility rental income (\$2,285), totaled \$435,915 for the year, a decrease of \$193,030 from the total revenue of \$628,945 in the prior year.

# **General Operating Fund:**

- Total operating revenues decreased approximately 31% for a total of \$393,082 comprised of general donations to the operating fund (\$390,797) and income from facility rentals (\$2,285).
- Total operating expenditures, comprised of personnel costs (71%), facility costs (18%), ministry costs (6%), and administration costs (5%) decreased by \$86,729 (14%) for a total of \$520,894.
- The resultant deficit in the operating fund for the year ending June 30, 2023, was \$127,812. The Board passed a motion approving the transfer of the balance in the internally restricted operating reserve (\$32,622) to the operating fund to partially cover this operating deficit. This transaction brought the restricted fund balance to zero effective June 30, 2023. This means that Emmanuel was not able to comply with its Financial Policy, Section 10.2 which dictates that the internally restricted operating reserve balance should be maintained at a minimum of 5% (\$28,358) to a maximum of 10% (\$56,716) of the previous year's (2021/2022) operating donations (\$567,165).

### **Capital Fund:**

- Donations for the year to the Capital Fund were \$9,307, a decrease of \$812 over the prior year.
- Expenditures in the year totaled \$41,276, an increase of \$20,381 over the prior year. The total current year expenses reported were comprised of depreciation (\$29,110) on tangible capital assets and major repairs (\$12,166). The result is a net deficit for the 2022/2023 fiscal year of \$31,969 (\$9,307 29,110 12,166).
- On June 30, 2022, the capital fund had a positive ending balance of \$105,642 made up of the net book value (NBV) of tangible capital assets (\$98,055) and the balance in the externally restricted capital fund (\$7,587). On June 30, 2023, the positive ending balance is \$73,673. This balance is equal to the NBV of Emmanuel's tangible capital assets at year end (Note 4 on page 11) and the externally restricted capital fund which was brought to a zero balance at year end (Note 7 on page 12 of the audited statements).

#### **Restricted Funds:**

- Total externally restricted operating funds donations were \$33,526, a decrease of \$14,999 over the prior year. Disbursements from the funds were \$31,418, an increase of \$4,678. The Board passed a motion to allow the unrestricted memorial fund balance (\$26,263) to be transferred to the internally restricted operating fund and subsequently to the operating fund to help offset the current year's operating deficit. This leaves a balance of \$37,867 in externally restricted funds, a decrease of \$24,155 from the prior year. This total includes the Refugee Fund (\$29,198), the Caring Fund (\$6,138), the Youth Missions Fund (\$1,572), and 2 small fund amounts.
- A breakdown of the donations and related disbursements for each of the designated ministries is reported in the audited statements (Schedule 2 – Restricted Funds on page 8).

To the Members of Emmanuel Baptist Church

# **Qualified Opinion**

We have audited the accompanying financial statements of Emmanuel Baptist Church, which comprise the statement of financial position as at June 30, 2023 and the statements of revenue and expenditures, changes in fund balances and cash flows and schedules for the year then ended, along with the summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Emmanuel Baptist Church as at June 30, 2023 and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## **Basis for Qualified Opinion**

In common with many charitable organizations, the church derives revenue from the general public in the form of donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue was limited to the amounts recorded in the records of the church and we were not able to determine whether any adjustments might be necessary to revenue, excess (deficiency) of revenue over expenditures for the year, assets and fund balances.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Emmanuel Baptist Church in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Emphasis of Matter**

Without qualifying our report further, we draw attention to note 9 of the financial statements which outlines some conditions to indicate the existence of a material uncertainty that may cast doubt about the church's ability to continue as a going concern.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Emmanuel Baptist Church's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate Emmanuel Baptist Church or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Emmanuel Baptist Church's financial reporting process.

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of Emmanuel Baptist Church's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Emmanuel Baptist Church's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause Emmanuel Baptist Church to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

# 1. ORGANIZATION AND PURPOSE

Emmanuel Baptist Church exists to fully love God and all people for God's Kingdom, pleasure, and glory.

The church was incorporated under the Non-Profit Corporations Act of Saskatchewan in 1995. As a registered charity it is not subject to income taxes under the Canadian Income Tax Act.

# 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

#### Financial Instruments

The church initially measures its financial assets and liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument.

The church subsequently measures all financial assets and financial liabilities at amortized cost except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in excess (deficiency) of revenue over expenditures for the year.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include bank demand loan, accounts payable and accrued liabilities and payroll taxes.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of any write-down is recognized in net earnings for the year. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting an allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess (deficiency) of revenue over expenditures for the year.

## Tangible Capital Assets and Depreciation

Tangible capital assets are recorded at cost and amortized over their estimated useful lives. This requires estimation of the useful life of the asset and its salvage and residual value. When management considers that a tangible capital asset no longer contributes to the church's ability to provide services, its carrying amount is written down to its residual value. As is true of all accounting estimates, it is possible that changes in future conditions could require changes in the recognized amounts for accounting estimates. Should an adjustment become necessary, it would be reported in earnings in the period in which it became known.

## NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

# 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Depreciation of tangible capital assets is calculated using the straight-line method at the following annual rates:

Building	5.00%
Musical instruments	10.00%
Furniture and equipment	20.00%
Computer equipment	33.33%
Computer software	100.00%

Depreciation on assets acquired during the year is recorded at one-half the normal annual rate.

Individual assets with a net book value less than \$1,500 are to be fully depreciated at year-end.

## Fund Accounting

The church follows the restricted fund method of accounting for contributions. It accounts for its operations using the following funds:

## Operating Fund

The operating fund accounts for the church's program delivery and administration activities. This fund reports unrestricted resources and restricted operating grants.

#### Capital Fund

The capital fund reports the assets, liabilities, revenue and expenditures related to the church's capital assets. It also reports all capital revenue and expenditures related to long-range facility planning.

# Restricted Funds

The restricted funds consist of internally and externally restricted funds. These funds accumulate capital from legacies, bequests, memorials and special donations. Any appropriations from these funds must be authorized by the church's Board of Directors.

## Revenue Recognition

Restricted contributions related to general operations are recognized as revenue of the operating fund in the year in which the related expenditures are incurred. All other restricted contributions are recognized as revenue of the appropriate fund.

Unrestricted contributions, including donation revenue, are recognized as revenue of the operating fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

#### **Donated Materials and Services**

The church benefits from the donation of materials and services from its members. These financial statements do not reflect the value of donations in kind received in the year since a fair value cannot be reasonably estimated.

FOR THE YEAR ENDED JUNE 30, 2023

# 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Use of Estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. Significant items subject to estimate and assumption include valuation of accounts receivable and the estimated useful lives of tangible capital assets. Actual results could differ from estimates.

#### 5. LINE OF CREDIT

The church carries a line of credit at its bank which is secured by a first floating charge over all church assets. The line of credit bears interest at a floating rate based on bank prime plus 1 percent. The church's total available line of credit is \$50,000 (2022 - \$50,000). The terms of the line of credit are renegotiated from time to time.

The prime rate at June 30, 2023 was 6.95%.

#### 6. BANK DEMAND LOAN

The church carries a line of credit at a credit union which is secured by an assignment of a lease and a mortgage over the church's land and building. The line of credit bears interest at a floating rate based on credit union prime plus 1 percent. The church's total available line of credit is \$250,000 (2022 - nil). The terms of repayment on the line of credit are in accordance with the revolving line of credit agreement, payable on demand, with interest to be paid monthly.

#### 8. TRANSFERS

In the past, the board of directors had passed motions to maintain the internally restricted operating fund at a minimum of 5% to a maximum of 10% of the previous year's actual operating donations total. Due to the current year deficit, there have been no transfers to the internally restricted reserve.

In addition, the board passed a motion to transfer \$32,622 from the internally restricted reserve and \$26,263 from the memorial fund, which represents the unrestricted portion of that fund, to the operating fund.

# 9. ONGOING OPERATIONS AND GOING CONCERN

The church has experienced a number of difficult challenges over the last few years that has affected membership and attendance in a significant matter. As the church is dependent on donations from its members and attendees this reduction has resulted in a significant drop of revenues to the church for the year ended June 30, 2023. The board of directors have taken steps to adjust church operations to reflect expected future donations and explore ways to increase the donor base, look for additional sources of revenue, and ways to decrease operating costs. The future viability of the church will be contingent on the successful completion of these goals.

The accompanying financial statements have been prepared on the assumption that the church will be able to realize its assets and discharge its liabilities in the normal course of business. The accompanying financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the church be unable to continue operations.

## NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

#### 10. FINANCIAL RISKS

# Liquidity Risk

Liquidity risk is the risk that the church will not be able to meet its financial obligations as they become due. Liquidity risk also includes the risk of not being able to liquidate assets in a timely manner at a reasonable price. The church is subject to liquidity risk mainly with respect to its bank demand loan, accounts payable and accrued liabilities and payroll liabilities. There has been an increase in risk exposure from the prior year due to the church's ability to continue as a going concern. This risk is mitigated at the church due to significant current assets.

#### Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The church is subject to interest rate risk on its debt obligations. Management has attempted to minimize this risk by negotiating the best possible interest rates. There has been an increase in risk exposure from the prior year due to additional debt.

## 11. SUBSEQUENT EVENTS

The church has entered into a nine year lease agreement with Montesori Allegro School for the rental of classroom space in the church building to commence in August, 2023. In order to accommodate the school, renovations are being done to the building, yard and parking lot.

# Treasurer's Report Capital and General Operating Budgets July 1, 2023, to June 30, 2024

The following table presents the Externally Restricted CAPITAL budget approved by the Board for the 2023-2024 fiscal year.

The cost of procuring design and engineering services as well as rezoning the property in anticipation of leasing to Allegro Montessori School was allocated to Tangible Capital Assets. In addition, the maximum amount possible of the total cost of repairs to the parking lot was allocated to this fund, bringing the fund's balance at fiscal year end to zero (the fund cannot be reported as having a negative balance). Note that the table highlights the fact that capital fund donations and expenditures can significantly vary year over year depending on what capital outlays are required and which capital expenditures resonate with potential donors.

#### F3 & F4:

On the next two pages, there is a summary of the OPERATING budget approved by the Board for the 2023-2024 fiscal year. This is the first year that Emmanuel has leased a portion of our facilities to Allegro Montessori School. To facilitate transparency and clarity, the church and school information is presented separately as well as combined. In addition to the budget amounts by category, the table provides comparative data for actual expenditures in the 2022-2023 and the 2021-2022 fiscal years.

#### F5 to F7:

These pages provide additional information for each budget category.

#### F8:

The last page provides a 5-year historical recap of general operating expenditures and donations.

### GENERAL OFFERINGS (Budget Increased by \$10,003 Over 2022/2023 Actuals)

• General donations are budgeted at \$400,800. This amount is optimistic but is required to fully fund Emmanuel's church programs and other expenses this year.

#### LEASE PAYMENT INCOME (Budgeted at \$82,500 for the First Fiscal Year)

 Lease payments for 11 months at \$7,500 per month are budgeted for this year. This amount is in accordance with Emmanuel's contract with Allegro Montessori School. Lease payments in subsequent years will increase each year. In addition, after annual expenses for the school can be more accurately determined based on the year's experience, the contract provides for a potential increase in payments to cover the cost of increased utilities due to the school's use of the facility.

# GENERAL OPERATING EXPENSES (Budget Decreased by \$35,309 Over 2022/2023 Actuals)

# Personnel: (Total Budget Decreased by \$59,851 Over 2022/2023 Actuals)

#### Staff Salaries & Vacation:

The budget for Personnel includes staff salaries, employee health & insurance benefits, pension contributions, statutory expenses (CPP, EI & WCB), resource materials, continuing education, conferences, congregational visits, team building, and miscellaneous employee expenditures.

- Due to Emmanuel's financial situation, the Board was not able to approve a Cost-of-Living Adjustment (COLA) or any step increases for the 2023/2024 year for our staff.
- Emmanuel is currently operating with 5 staff. They cover the following ministries pastor (including
  worship and overall responsibility for all church functions), special care & outreach, administration
  & bookkeeping, custodial services for the church & the school, and youth & children's programs.
- For the first time, the custodian position has been budgeted for between the church (12 months)
  and the school (10 months). It is anticipated that the custodian will be working approximately 40%
  of her hours in the areas leased to the school but this could change based on experience.
- Emmanuel hired an intern for the summer and applied for a Canada Summer Jobs grant to help defray the costs for the intern.

#### Staff Pension, Group Benefits, and Statutory Deductions

Staff pensions, group benefits, and statutory deductions are largely a function of gross pay and are therefore not discretionary expenses except when the budget for gross salaries is reduced

- Employer paid pension contributions are budgeted at 6% of gross, pensionable pay and are managed by Canada Life. The annual budget is set at \$15,072.
- Employer paid Group Benefits are managed by J & D Benefits for Capital Life and are based on the benefits chosen by individual employees. The annual budget is set at \$16,822.
- Statutory employer contributions (CPP, EI, and WCB) are a function of gross pay. The annual budget is set at \$19,508.

#### Staff - Other Expenses:

• The budget for these expenses is largely discretionary and includes mileage, books, conferences (none this year), staff planning days, congregational visitations, team building, and continuing education. The annual budget is set at \$2,800.

## Facilities: (Total Budget Increased by \$14,405 Over 2022/2023 Actuals)

The budget for this category includes utilities, regular facility maintenance and repairs, yard maintenance, telephone and internet services, garbage disposal, snow removal, insurance (the school pays for their own insurance), carpet cleaning, small equipment purchases and furnishings, and sundry janitorial expenses.

#### Utilities

- The total budget for utilities was increased due to cost increases for services as well as the expectation that utilities will go up due to the increased use of the facility.
- This year, the budget has been split between the church (\$50,700) and the school (\$18,200). Expenses will be monitored to determine the appropriate percentage of the total costs that should be allocated to the school in the following years.

#### Facility Maintenance, Supplies, and Inspections & Licensing

- The total budget was increased approximately 30% over last year as the cost of all materials and services have increased. In addition, there are expected increases for maintenance and supplies given the lease arrangement with the school.
- The budget has been split this year between the church (\$11,000) and the school (\$6,900).

#### Major Repairs

No major repairs have been budgeted for in the operating budget; however, there are a
considerable number of improvements and repairs associated with leasing some of EBC's property
to the school that will be taking place in the 2023/2024 fiscal year. Depending on whether the
various types of work will be designated as capital expenditures, these expenses may be reported
as the purchase of tangible capital assets or as expenses allocated to the externally restricted
capital fund (but only to the extent that capital donations are sufficient to cover the costs).

#### <u>Insurance</u>

• The budget for insurance was based on the amount provided by Butler Byers in conjunction with Robertson Hall's Church Protection Plan.

#### Furniture, Equipment, and Vehicles

• The budget for equipment covers some computer software upgrades (\$1,000) but no furnishings.

## Outreach Ministries (Total Budget Decreased by \$8,017 Over 2022/2023 Actuals)

#### **Denominational**

No budget has been allocated to the Canadian Baptists of Western Canada or The Quest this year.
 In the past, these were voluntary donations that Emmanuel can no longer support given our current financial situation. The budget does provide for potential membership in the CBAF (\$200).

#### Community Impact

• The budget includes the Community Impact Fund (\$500).

### Special Events and Other

 The budget (\$6,450) for Special Events includes presentations for Christmas, Easter, and Lenten special events. The budget for "Other" expenses includes general costs for advertising, training, royalty licenses, subscriptions, equipment, Zoom cloud storage & our website domain membership.

# Admin & Professional Fees: (Total Budget Increased by \$15,374 Over 2022/2023 Actuals)

- The budget for general office expenses includes normal office expenses such as stationery and supplies, copier lease & expenses, computer maintenance, bank charges, and accounting support.
- New this year over last year, is the budget for the total interest expense (\$14,049) expected to be incurred on Emmanuel's Line of Credit debt over the fiscal year. Approximately 70% of the interest expense is expected to be because of the ongoing shortfall of operating donations over operating expenses. The remaining 30% is expected to be a result of having to use the Line of Credit to pay for improvements to meet current building code requirements and several one-time capital expenditures that are needed to prepare the building and property for leasing to the school.
- The budget for the Board includes association fees and funds for congregational meetings (\$835). No amount was budgeted for Board training this year.
- The budget for audit and professional fees was split between the church (\$7,800) and the school (\$730) this year. The firm of Heagy LLP acted as the independent auditors for Emmanuel Baptist Church for the 2022/2023 fiscal year. It is expected that Emmanuel will continue to retain the same auditors for the next fiscal year provided the congregation approves the motion at this year's AGM.

# Discipleship (Total Budget Increased by \$2,077 Over 2022/2023 Actuals)

The total budget for Discipleship is grouped into four main program areas as summarized below.

#### Children

• The budget for children (\$1,800) includes general supplies for children's programming & curriculum (\$800), and special events such as year-end celebrations and other outreach activities (\$1,000).

#### Youth

• The budget for youth (\$7,050) includes costs for general supplies & equipment (\$200), youth discipleship (\$600) and youth leadership resources (\$300), youth trips & events net of cost recovery (\$4,500), weekly gatherings (\$1,450), and various celebrations.

#### Adult Programming

 The budget for adult programming (\$3,800) includes Women's Ministry resources such as study guides for Heart Matters (\$200), men's ministry costs (\$200), resources & training for small groups (\$2,000), adult leadership development (\$400), adult discipleship electives (\$1,000), and other teaching resources.

#### Seniors

 The budget for seniors (\$400) includes community development & fellowship and the In-Motion program.

## Worship (Total Budget Increased by \$139 Over 2022/2023 Actuals)

 The budget includes amounts for leadership development, instrument maintenance, music and copyright fees, devotional resources, communion supplies and special worship events.

# Fellowship & Hospitality (Total Budget Increased by \$87 Over 2022/2023 Actuals)

• The budget for this ministry includes various costs associated with the coffee bar, kitchen supplies, and other fellowship outreach activities. The staff are planning for more opportunities to promote fellowship and a sense of community in the year ahead.

# Care & Support (Total Budget Increased by \$477 Over 2022/2023 Actuals)

 The budget for this category includes funds for volunteer leadership training, volunteer appreciation, and support/recovery groups.
